This is the CORRECTED price for SP16-AMMO-X85. The quote I sent dated 2/08/2016 was incorrect. Is there any possibility we can make a correction to the PO you-sent ? The total amount should have been \$906.40 not \$741.60. Sorry for any confusion I may have caused.

Sincerely,

See attached purchase request from the STOP Team with Captain McHale's endorsement. Per the attached email chain, Sgt Suyemoto states that it should not need Lt. Colonel's approval. Let me know what you think. They have sufficient funds available. This purchase appears to be mission critical, do you concur; can they proceed with the purchase?

Dianne

It is a removable accessory to attach a sling. It shouldn't need approval.

Good afternoon Sergeant,
Is the sling and flashlight combo mount a piece of equipment used with a weapon or is it attached to the weapon and may need approval up through Lt. Colonel?

Thanks
